THE NORTH U MATCH RACING CLINIC
September 29 – October 1, 2017

Hosted by Bayview Yacht Club
Detroit, Michigan

NOTICE OF CLINIC

This Clinic will be coached by Dave Perry, Chairman of the US Sailing Match Racing Committee, a coach for the 2009-2012 US Women's Olympic Match Racing effort, and five-time U.S. National Match Racing champion.

Dave will coach the tactics and strategies needed to be competitive and successful in Match Racing on the National level, including the Pre-Start, Upwind and Downwind Tactics, and Killing Penalties. On the water, Dave will run the sailors through all the scenarios, with on-the-spot feedback, and video replay after sailing. In addition, he will give much instruction and feedback on how to handle and sail an Ultimate 20 fast.

Dave will also go over the new rules for match racing (which are the same as the “2016 Test Rules for Match Racing”) which will be used at the 2017 ICOSA Match Race Nationals, and which create many significant game changes.

TARGET SAILORS: The clinic is for all sailors interested in learning more about match racing in small keelboats and in raising their sailing skill level. This clinic is very appropriate for current college sailors interested in match racing.
